

Are you ready for your own Union experience? If you love to learn and are looking for an empowering, Christian environment, then take the first step and fill out an application for Union College today.

We are committed to providing a quality educational experience to everyone of every race and gender. We grant admission to students who meet our admission requirements and agree to follow our community values.

① APPLICATION

Fill out the application (but you knew that).

② TRANSCRIPTS

Submit official transcripts from every school you have attended or GED, home school and/or other secondary completion certificates. Still in high school? Get started by submitting a partial transcript of at least six semesters. (A transcript request form is available at www.ucollege.edu/admissions/applications-and-forms)

③ ACT/SAT SCORES

You must take the ACT or SAT before being admitted to Union. Check with your guidance counselor for test dates in your area.

If English is not your first language, you must score at least 550 (PBT) or 80 (IBT) on the Test of English as a Foreign Language (TOEFL) to enroll in university-level classes. Otherwise, our English as a Second Language (ESL) program can help improve your English skills and your TOEFL scores.

④ RECOMMENDATIONS

We want to know you a little better, so we need a recommendation from two people outside your family. Ask an employer, a pastor, a teacher or a mentor

NOTE:

Ethnicity and race are categories developed by the U.S. government to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. You are not required to answer these questions, but Union College is required to collect the data. First state whether you consider yourself Hispanic or Latino, then select a racial group.
